PROFESSIONAL PROFILE

I am a motivated and responsible Computer Science & Engineering student with a strong academic background and hands-on experience in web development, database systems, and project-based learning. Alongside my technical skills, I have gained extensive leadership and organizational experience through active involvement in university and national-level programs, contributing to both technical and social initiatives. I am eager to apply my knowledge in a professional environment, further develop my skills, and contribute effectively to organizational growth.

Educational Background

Bachelor of Science (B.Sc.) in Computer Science and Engineering

Port City International University (PCIU), Chattogram

- Current Semester: 7th
- Batch: CSE-30-D-B
- CGPA: 3.70 (Average)
- Expected Graduation: 2026

Higher Secondary Certificate (HSC)

Khagrachhari Government College

- Group: Science
- Session: 2018–2020
- GPA: 4.83

TECHNICAL SKILLS

Programming & Web Technologies:

- HTML, CSS, JavaScript
- PHP
- Python (Intermediate)

Database Skills:

- SQL (MySQL)
- Relational Database Design

Tools & Software:

- Git & GitHub
- Microsoft Word, Excel, PowerPoint

Academic & Technical Projects

1. Restaurant Management System
 - Developed a database-driven application to automate and manage core restaurant operations, including order handling, billing, and record management
2. RedDrop PCIU – Blood Donation Management System
 - Designed and developed a web-based system to facilitate efficient blood donor management, request handling, and emergency coordination
3. PCIU Hub
 - Created a centralized information management platform for academic institutions to organize and manage academic and administrative information
4. Personal Portfolio
 - Designed and developed a personal portfolio website to showcase academic background, projects, skills, and volunteer experience
5. Ongoing Project: Hospital Management System
 - Currently developing a comprehensive hospital management system with a focus on healthcare data automation, patient records, and operational efficiency

LEADERSHIP, ORGANIZATIONAL & VOLUNTEER EXPERIENCE

Women Representative

PCIU Volunteers | Committee 2025

- Represented female volunteers on the organizational leadership panel, actively contributing to strategic decision-making, planning, and execution of volunteer and humanitarian initiatives
- Played a key role in organizing and facilitating the Volunteer Orientation Program, guiding new volunteers, ensuring smooth coordination, and strengthening communication across teams
- Served as a core leader for Sharing Happiness 5.0, a major humanitarian initiative, independently managing multiple phases from planning to on-ground execution

- Coordinated and supervised meal preparation for 150+ underprivileged individuals, managing logistics and food arrangements entirely from personal residence
- Identified, verified, and coordinated deserving beneficiaries for sewing machine donations, ensuring transparency and impact-driven distribution
- Took full responsibility for purchasing and distributing clothing for underprivileged children, managing budgeting, procurement, and field-level execution
- Organized and implemented a special Eid celebration, personally applying Eid mehndi for children to create a joyful and inclusive festive experience
- Demonstrated strong volunteer team leadership, overseeing coordination, task delegation, and real-time problem solving during large-scale events
- Actively contributed to fundraising initiatives by coordinating with the CSE Department, supporting financial collection for volunteer projects
- Participated in the “Annopurna” humanitarian initiative, assisting in on-ground operations and overall event execution
- Consistently volunteered beyond assigned duties, supporting organizational activities, leadership discussions, and field operations whenever required
- Maintained a strong commitment to leadership, accountability, community service, and women’s representation throughout tenure

Board Member

Ascendium Summit 2025 | Organized by PCIU Volunteers

- Served as a board member with a leadership role, involved from the initial conceptualization of the summit to its final execution
- Participated in early-stage strategic planning, including brainstorming and finalizing the summit name, theme, structure, sessions, seminars, and competitions
- Actively took part in multiple planning and coordination meetings with the proctorial body and management committee to ensure effective collaboration and execution
- Played a key leadership role across all sessions, seminars, and competitive segments, remaining actively involved from start to finish of the summit
- Contributed to on-ground coordination, real-time decision-making, and problem-solving to ensure smooth event flow
- Took responsibility for inviting and coordinating with session guests and speakers, and personally accompanying them to and from the venue using university-provided transportation
- Ensured a professional, organized, and respectful experience for guests throughout their participation
- Provided continuous support, guidance, and assistance to team members, demonstrating hands-on leadership and strong team coordination throughout the event

Press Release Manager

ICT Olympiad Bangladesh – Season 3 (Chattogram Division)

- Managed press releases, official announcements, and written communication materials
- Coordinated media outreach and promotional activities
- Ensured accurate and timely dissemination of event-related information

Co-Leader

ICT Olympiad Bangladesh – PCIU Team

- Led and coordinated the university participant team
- Assisted participants with registration, guidance, and event preparation
- Supported planning and execution of Olympiad-related activities

Department Representative (CSE)

PCIU Volunteers | Committee 2024

- Appointed as the Department Representative of the Computer Science & Engineering (CSE) department in the PCIU Volunteers Committee 2024, representing the department at the executive and coordination level
- Maintained effective communication between the CSE department and the central organizing team, ensuring smooth collaboration and information flow
- Voluntarily took responsibility during the university Orientation Program, actively supporting planning, coordination, and on-ground execution
- Played a dedicated and consistent role in Sharing Happiness 4.0, a Ramadan-based humanitarian initiative, contributing from planning to final execution
- Successfully raised approximately BDT 40,000 in funds from the CSE department for Sharing Happiness 4.0, including BDT 9,000 raised through personal fundraising efforts
- Actively contributed to the execution of Sharing Happiness 4.0, which was completed through 9 structured phases
- Directly supported and participated in the following phases of Sharing Happiness 4.0:
 - Provided sewing machines to 2 individuals to support self-reliance and sustainable income
 - Arranged medical financial assistance for a PCIU student
 - Organized iftar distribution for 250 underprivileged individuals and pedestrians across multiple locations in Chattogram
 - Arranged iftar for 200 madrasa and orphaned children
 - Managed monthly grocery support for 2 orphanages
 - Distributed Eid gifts and clothing among underprivileged children
 - Distributed iftar and Eid grocery items among more than 105 underprivileged families
 - Arranged Eid cash gifts for orphaned children
 - Supported the provision of a rickshaw and a van to 2 individuals to help them become self-reliant

- Actively participated in flood relief initiatives by helping collect, organize, and deliver relief materials directly to affected communities
- Took part in social awareness activities during the July Movement by contributing to graffiti initiatives around the university campus
- Served as a member of the Management Team for Eduvate Fest 2024, supporting planning, coordination, and overall event operations
- Acted as a Facilitator for the Videography Competition at Eduvate Fest 2024, assisting participants and ensuring smooth competition flow
- Maintained active involvement throughout Eduvate Fest 2024, playing important roles across seminar sessions, competitions, and on-ground activities
- Successfully completed a full one-year term as Department Representative through consistent leadership, responsibility, and active engagement
- Based on performance and contribution, was selected in 2025 to serve on the PCIU Volunteers Committee Leadership Panel as a Women Representative

HR Executive

PCIU Computer Club | Committee 2024

- Served as an HR Executive, providing continuous support to the HR Secretary in all organizational and administrative responsibilities
- Actively assisted in managing club members, internal coordination, and official communication
- Took full responsibility for HR-related tasks during the HR Secretary's thesis period, independently handling ongoing operations and member management
- Supported the planning and execution of technical, academic, and cultural programs organized by the Computer Club
- Played a key role in the anniversary event marking one year of PCIU Computer Club, where I independently managed the registration of approximately 150 students
- Demonstrated strong organizational skills, accountability, and efficiency by ensuring smooth coordination and accurate participant management during events

HR Secretary & Board Member

One Man Army | Committee 2024

Served as HR Secretary and Board Member, playing a central leadership role in planning, coordination, and execution of organizational activities within a non-profit youth platform

- Independently handled Human Resource operations, including volunteer coordination, communication management, task allocation, and team follow-ups
- Actively managed the official Facebook handle of One Man Army, overseeing content posting, public communication, event promotion, and engagement with volunteers and supporters

- Played a key execution role in “Road to Green Earth 4.0”, contributing to planning, volunteer coordination, and on-ground implementation of environmental activities
- Actively involved in organizing and executing “Winter Warmth”, a humanitarian initiative focused on supporting underprivileged individuals during winter
- Contributed extensively to organizational and administrative work, including internal coordination, documentation support, and operational assistance
- Acted as a core support figure across multiple initiatives, often handling responsibilities independently due to limited manpower
- Demonstrated strong leadership, adaptability, and accountability while working in a resource-constrained, non-profit youth organization
- Maintained consistent commitment to community service, youth engagement, and organizational growth through hands-on involvement

HR Executive

One Man Army | Committee 2023

- Assisted the HR Secretary in volunteer coordination and organizational HR activities
- Contributed content creation and communication support for organizational initiatives
- Actively worked on Road to Green Earth and SDG awareness programs, supporting planning and on-ground execution

MAJOR EVENT INVOLVEMENT (2024–2025)

Actively involved in planning, coordination, and execution of multiple academic and social events, including:

- Ascendium Summit 2025
- Sharing Happiness 5.0 & 4.0
- EduVate Fest 2024
- Annapurna 2.0 & 3.0
- Road to Green Earth 4.0
- Winter Warmth
- Next 2.0
- Orientation Programs for New Students
- One-Year Anniversary of PCIU Computer Club

ACHIEVEMENTS & ACTIVITIES

- Led and coordinated 150+ students in the Youth for Green Earth environmental initiative, promoting sustainability and social responsibility
- Served as Coordinator for NEXT 2.0, organized by One Man Army, contributing to planning and execution of the program
- Secured 2nd Position in writing and cultural competitions at Rabindra–Nazrul Jayanti 2025
- Successfully completed Mental Health Ambassador Training conducted by Lifespring, gaining mental health awareness and advocacy skills
- Completed a Human Resources Management course from Coursera, strengthening foundational HR knowledge and professional skills
- Successfully completed a two-month Job Placement Training (NEXT Program) organized by One Man Army, held from January 1 to March 5, 2024
- Participated as a Management Team Member in activities organized by PCIU Volunteers (2024), contributing through active involvement and coordination
- Actively participated in the 7-day SDG Festival of Action 2023, held in Chattogram, Bangladesh, organized by the SDG Youth Forum from 13–19 October 2023
